SHAVINGTON VILLAGE FESTIVAL COMMITTEE

50 Glorious Years

This coming November the Committee will start its Jubilee year. We are all planning for our Golden Jubilee Festival in June 2027 hoping to recreate some of the events of the Silver Jubilee Festival in 1977.

If you were part of the first Festival please get in touch with our Secretary Angela Snell or just come along to our monthly meetings which are held on the 2nd Thursday of each month in St Mark's Church Hall ,at 7.30pm. We would love to hear your memories as we are intending to have a display of original photos and memories at the Festival..

The curtain raiser to our Jubilee Celebrations will be a social event held in November 2026 to remember the original few enthusiasts who founded the Committee. We have contact details for many past officials and members but would love to hear from anyone involved in the inaugural meeting and those involved on that special

day in June 1977 celebrating the late Queen's Silver Jubilee.

During the year 2027 we hope to have other events celebrating our commitment to our Village and look forward to meeting old and new members

Shavington Pantomime

This years pantomime, Aladdin, was yet another success for the Festival Committee. This year we had the largest cast ever with many new faces joining us and many friendships were made, and others renewed. Our children and teenagers were a joy, and their enthusiasm singing, and in dancing routines was a pleasure to see and hear.

Every effort goes into producing an annual pantomime, ensuring that each performance is as good as the last and you, our audience laugh, boo, and shout and ultimately has a wonderful family evening.

So many people to thank, from our Sponsors Whitegates Estate Agents, the entire cast, everyone in each department (and there are lots) all of whom live and breathe pantomime for months. Most importantly thanks to you our audience who support us loyally each evening to encourage and support and without who this pantomime would not continue.

Summer Festival

Shavington Village Festival Committee are holding it's annual festival day on **Saturday 13th June**.

Do you have your own business that you would like to showcase or are you part of a volunteer group that would like to raise funds for an organisation? Then come along and join us on the day with your own stall.

There is always a good mix of stalls, in the past people with their own business have been selling candles, cakes and jewellery and volunteer groups have run games stalls, guess the weight of the cake and balloon making to name but a few.

So, if you would like to find out some more information and join us this year please contact Julie at festivalstalls2025@outlook.com

WOODNOTH CUM SHAVINGTON WI

We were pleased to start the new year with a welcome to Benjamin Gibbs, who spoke of his 7 years as Chairman of Shavington cum Gresty Parish Council. He explained how his career in IT had aided him in making positive changes and decisions, by introducing the Parish Newsletter and various events, to benefit and grow the community. WI donated £100 to Shavington Scout Group, which included Benjamin's fee and our WI Christmas card collection.

In February, we heard how a holiday in Europe resulted in the renovation and running of a bed and breakfast in France, during which time, Glenda and her husband made friends from across the world and formed memories to cherish. In March representatives from Hope House Children's Hospice gave an insight into the specialist care which they provide for children with life threatening conditions. Members responded to this worthy charity, by donating all the toys entered into our monthly completion.

The Federation have organised a selection of online courses, including Pilates, craft and a Green Awareness workshop. Members attended the Spring WI Council meeting at Nunsmere Hall, where they were entertained by The Mayoress of Chester and Will Kirk, from the TV programme The Repair Shop.

Our diners enjoyed meals at The Farmer's Arms, Ravensmore, The Swan, Wybunbury and The Red Cow in Nantwich.

Our walkers continued to walk around the area, however, to avoid storm Bram, followed the History Trail in The Parish Walking Book. Eleanor hosted the book club, where members gave their views on a selection of topics.

South Cheshire Ramblers

We are a local group of the Ramblers Association, centred in and around Nantwich and Crewe. We offer a variety of guided walks, in Cheshire, and surrounding counties in England and Wales, throughout the year. These include

- longer walks, often further afield, typically 8-10 miles in length, at weekends and during the week;
- shorter and more local walks (up to 6 miles), usually at weekends;
- monthly mid-week walks (5-6 miles) followed by a pub lunch
- pub walks, especially on the longer evenings.

We offer short trips away (mainly in the UK) a few times per year. Last year we went to Scotland, the Shropshire Hills, and a walking trip on the Lycian Way in Turkey. This year we've already had a trip to the Isle of Wight and have further trips booked to Yorkshire and Devon.

April to July we have programmed 2 walks per week, most weeks, that are chosen to enjoy the glorious Spring / early Summer countryside. And our Tuesday evening pub walks (4 miles or so) begin on May 12th and continue every Tuesday evening until the end of August.

SHAVINGTON CLEAN TEAM

The Clean Team have just finished their second group litter picking morning of the year. Nearly twenty people have been out helping to keep our Village clean and tidy. We have a wide range of ages from 7-70 plus, all keen to do their bit for the environment.

From our beginning in 2017 the group now covers a wide area which includes the whole parish. In the main the most litter is found along the major routes for, example the A500 slip road, Newcastle Road and Gresty Lane. These are areas which unfortunately people seem to think that it is all right to throw out take away cartons, plastic bottles and cans.

Individual volunteers are continually seen around the Village also ensuring that we can be proud of our Village.

The next dates for the Group Litter Pick are **Saturdays May 16th and June 20th**

Please keep a check on social media and the Parish Notice Boards in case there is a change of date..

We meet at Shavington Village Hall at 10.00am and at Hickory's and spend about one hour litter picking then share some well earned refreshments.

For more information contact Rene Hancock on 01270661592 or email renehancock@shavingtononline.co.uk.

SHAVINGTON PANTOMIME ALADDIN NODA REVIEW

Shavington Village Festival Committee is a member of NODA, the National Operatic and Dramatic Association. NODA sends representatives to review the performances of its members; for the first time we are including the review of our 2026 pantomime, Aladdin.

Shavington Village Festival Committee presented their annual pantomime, which this year was 'Aladdin', directed by Rene Hancock. It is wonderful to see how many people are involved in bringing pantomime to Shavington – it really does take a village! From the set, which featured some lovely backdrops, to the props, which were appropriate throughout. Everything had been thought about under Rene's watchful eye. There were moments where the pace could have been cranked up a bit, particularly in the transitions, but there were some lovely moments in this pantomime. There were a few opening night hiccups with some set pieces being left on during the next scene, but this not deter from the excitement radiating from the audience.

The musical director was Kevin Birch. Kevin led the small band well during the musical numbers, and there was a nice range of songs on offer. There were some nice vocals on display during the performance. It would have been nice if the band had played during scene changes and transitions to keep the energy of the production up.

The choreographer for this pantomime was Angela Snell. The choreography was accessible for all performers, which they performed well. There were some moments where dancers performed a routine, which allowed some more complex routines, which again were performed well.

Technical elements were well integrated into the production. The sound was good throughout, with a nice balance between the band and cast. The lighting design was equally as good, and contributed to the overall look of the pantomime. The traditional UV scene was very well done, with Aladdin's flight on the magic carpet

looking magical.

The costumes instantly transported the audience to Peking. They were bright, colourful, and looked great on stage.

After winning Best Villain at the recent District 8 Awards, Megan Goode proved her versatility by taking on the principal boy role as Aladdin. Megan initially created an innocent character, and it was nice to see the character develop. Megan's vocals were strong and she led her numbers very well.

Holly Yuill played Princess Jasmine. Holly showed confidence beyond her years in this principal role. She worked well alongside Megan, and developed a nice character.

Eddie Bell donned the frock once again this year as Widow Twankey. Eddie is a warm dame, and worked well with the rest of the cast, especially Megan and Rachel. The audience interactions were solid, and Eddie performed his numbers well.

Rachel Hadzik-Chesters was full of energy as Wishee Washee and continually worked the audience, and building a great rapport with them. The slapstick scene in the laundry was well performed by Rachel, adding greatly to the comedy.

Jonathan Brett was suitably villainous as Abanazar. There was a great command on stage, instantly drawing the audience's attention. 'I Want it All' was well performed by Jonathan, and he had a great evil laugh to boot.

Callum Faddes and Lesley Smith worked well together as the Emperor and Empress of China. Callum did well as the hen-pecked husband, and Lesley was able to display the Empress's temper well.

Bobbie Blackman was wonderfully ethereal as the Spirit of the Ring, with Lisa Smith providing a comic Genie of the Lamp.

Lilian Henry (PC Ding Dong) was ably supported by two younger members of the cast – Bobby Finch (PC Ping) and Sylvester Seabrook (PC Pong). They worked well as a group. Bobby and Sylvester provided some wonderful physicality to the roles.

Julie Mann and Rachel Rodgers worked well together to bring the Camel to life!

The ensemble worked hard throughout the pantomime, and the children's chorus should be particularly congratulated. You all appeared confident and well drilled in your songs and routines.

Overall, this was an enjoyable production. There were some strong principal performances, some nice staging elements, and it's great to see a production showcasing performers of all ages.

The Festival Committee is really pleased with the review; it is always gratifying to receive such positive comments from experienced theatre critics, an acknowledgement and appreciation of all the hard work and commitment of so many people both onstage and 'behind the scenes'.
